## DOMINION ORDERS IN COUNCIL.

P.C. No. 210.

CERTIFIED COPY OF A REPORT OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 26TH FEBRUARY, 1923.

**THE** Committee of the Privy Council have had before them a report, dated 29th December, 1922, from the Minister of the Interior, submitting that application has been made on behalf of the Tranquille Sanatorium to purchase as an addition to the Tranquille Farm the following described land:—

That certain parcel or tract of land comprising that part of Fractional Legal Subdivision Seven lying north of the north boundary of the land described as "low land liable to flooding" in Section Twenty-five, in the Twentieth Township, in the Nineteenth Range, west of the sixth meridian, in the Province of British Columbia, as the said parcel is shown upon a plan of the north-east quarter of said township approved and confirmed by T. Shanks for the Surveyor-General of Dominion Lands on the twenty-third day of March, one thousand nine hundred and twenty-two, excepting thereout and therefrom the right-of-way of the Canadian Northern Pacific Railway, now the Canadian National Railways, as shown upon a plan of survey of the said right-of-way signed by G. M. Christie, Dominion Land Surveyor, on the twenty-eighth day of July, one thousand nine hundred and seventeen, and of record in the Land Registry Office in the City of Kamloops under number A two hundred and forty-four, a duplicate copy of which was approved and confirmed by E. Deville, Surveyor-General of Do-

minion Lands, on the third day of February, one thousand nine hundred and nineteen, and which is of record in the Department of the Interior, Ottawa, under number twenty-seven thousand eight hundred and seventy-three, the said parcel containing by admeasurement twenty-seven acres and three-tenths of an acre, more or less.

An officer of the Department of the Interior has reported that six acres of the above described land has been placed under cultivation by the Anti-Tuberculosis Society, the former owners of the Sanatorium and Farm, and that the land applied for is worth five dollars per acre.

The land applied for adjoins an area held by the Tranquille Sanatorium and is no doubt required in connection with the enlargement of the farm. The purchase price has been paid in full.

The Tranquille Farm and Sanatorium have been transferred to the Province of British Columbia, and the Minister recommends that title to the above-described land be and the same is hereby vested in the Crown as represented by the Province of British Columbia.

The Committee concur in the foregoing recommendation and submit the same for approval.

THE Committee of the Privy Council have had before them a report, dated 15th February, 1923, from the Minister of the Interior, submitting that the Government of the Province of British Columbia has applied, under the provisions of subsection (1) of section 16A of the "Dominion Forest Reserves and Parks Act," as amended by section 2 of chapter 17 of the Statutes of Canada, 1919, for a grant of the surface rights, together with the minerals, within the meaning of the "Mineral Act" of the said Province, located in the undermentioned lands, and has complied with the provisions of the Order in Council of the 13th May, 1899, by filing the sworn declarations of a Dominion land surveyor to the effect that the lands in question are of no value for agricultural purposes or for the timber growing thereon, and has paid therefor, at the rate of \$1 per acre, the sum of \$152.90, the said lands being:—

That certain parcel or tract of land situate in Section Two in the Nineteenth Township, in the Twenty-third Range, west of the sixth meridian, in the Province of British Columbia, comprising the Forge Mineral Claim, being Lot Four thousand five hundred and seventy-four; the Cindar Mineral Claim, being Lot Four thousand five hundred and seventy-five; and the Glossie Mineral Claim, being Lot Four thousand five hundred and seventy-six, all in the Ashcroft Mining Division of the Kamloops Division of Yale District, in the said Province, which said parcel may be more particularly described as follows:—

Commencing at an iron post in a stone mound distant two hundred and forty-one feet and eight-tenths of a foot, more or less, north, and one thousand four hundred and thirty-seven feet and one-tenth of a foot, more or less, west, from a wooden post in a stone pile marking the north-east corner of the south-east quarter of Section Two as the said quarter-section is shown on the plan of the said Township Nineteen, approved and confirmed by E. Deville, Surveyor-General of Dominion Lands, on the ninth day of March, one thousand nine hundred and four; thence south four degrees and two minutes east a distance of one thousand five hundred feet, more or less, to an iron post; thence south eighty-five degrees and fifty-eight minutes west a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence north four degrees and two minutes west a distance of one thousand four hundred and ninety-nine feet and four-tenths of a foot, more or less, to

a wooden post in a stone mound; thence south six degrees and forty-six minutes west a distance of twenty-nine feet and six-tenths of a foot, more or less, to a wooden post in a stone mound; thence south one degree and sixteen minutes east a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence south eighty-eight degrees and forty-four minutes west a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence north one degree and sixteen minutes west a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence north eighty-eight degrees and forty-four minutes east a distance of six hundred and forty-two feet and eight-tenths of a foot, more or less, to an iron post in a stone mound; thence north nine degrees and fourteen minutes west a distance of one thousand three hundred and eighty-one feet and two-tenths of a foot, more or less, to an iron post in a stone mound; thence north eighty degrees and forty-six minutes east a distance of one thousand five hundred feet, more or less, to an iron post in a stone mound; thence south nine degrees and fourteen minutes east a distance of one thousand five hundred and thirty feet, more or less, to an iron post in a stone mound; thence north eighty-five degrees and fifty-eight minutes east a distance of eight hundred and fifty-four feet and four-tenths of a foot, more or less, to the point of commencement; the said parcel containing by admeasurement one hundred and fifty-two acres and nine-tenths of an acre, more or less; all the said bearings being astronomical; all according to the plans and field-notes of the said Forge, Cindar, and Glossie Mineral Claims signed by W. S. Drewry, Dominion Land Surveyor, on the eighteenth day of February, one thousand nine hundred and twenty, and of record in the Department of the Interior, Ottawa, under number seventeen thousand four hundred and eighty-two.

The Minister further submits that the aforementioned mineral claims situate in the Nicola Forest Reserve were recorded in accordance with the British Columbia "Mineral Act" before the establishment of the said forest reserve, and that the amount of money expended in the development of these mining claims renders advisable the transfer of the surface and under rights to the Province.

The Minister therefore recommends that the surface rights, together with the minerals, within the meaning of the "Mineral Act" of the Province of British Columbia, located in the above-mentioned lands, comprising one hundred and fifty-two acres and nine-tenths of an acre (152.9) acres, be declared vested in His Majesty King George the Fifth for the purposes of the Province of British Columbia under the provisions of clauses (a) and (b) of subsection (1) of section 16A of the "Dominion Forest Reserves and Parks Act," as amended by section 2 of chapter 17 of the Statutes of Canada, 1919.

The Committee concur in the foregoing and submit the same for Your Excellency's approval.

**DOMINION ORDERS IN COUNCIL.**

P.C. No. 91.

**AT THE GOVERNMENT HOUSE AT  
OTTAWA.**

Thursday, the 18th day of January, 1923.

**PRESENT:**

**HIS EXCELLENCY THE GOVERNOR-  
GENERAL IN COUNCIL.**

**W**HEREAS by section 17 of the Coal-mining Regulations, approved by Order in Council dated the 20th April, 1910 (P.C. 729), it is provided that if during the term of the lease the lessee shall fail to pay the rental in advance for each subsequent year, at the rate of one dollar an acre per annum, within thirty days after the date upon which the same became due, the lease shall be subject to cancellation in the discretion of the Minister, and to the immediate forfeiture of all the rights granted thereunder:

And whereas a large number of coal-mining leases have been cancelled in the records of the Department of the Interior, owing to non-payment of the

prescribed rental, and applications have subsequently been made by the former recorded owners of such cancelled leases for permission to make payment of all arrears of rental and interest due, in order to obtain reinstatement in the rights which they formerly had to such cancelled leases:

And whereas it would appear to be advisable that a person who has incurred a considerable expenditure in connection with a coal-mining location, but who has suffered the lease thereof to be cancelled through failure to comply fully with the provisions of the regulations in respect of the payment of rental, should have the right to reinstatement, provided payment is made in full of all arrears due to the Crown for rental and interest:

Therefore, His Excellency the Governor-General in Council, on the recommendation of the Minister of the Interior, is pleased to order that section 17 of the Coal-mining Regulations, approved by Order in Council dated the 20th April, 1910 (P.C. 729), above referred to, shall be and the same is hereby amended by adding the following thereto:—

“Provided that if at any time after a lease has been cancelled through failure to pay the prescribed rental the person in whose favour the lease stood recorded on the date of cancellation applied to the Mining Recorder for the district for reinstatement in the rights which he formerly had to such lease, and tenders the full amount of the rental which should have been paid to maintain the lease in good standing, with interest, such person may be reinstated in the right which he formerly had to the location sought to be reacquired, or to any portion thereof, which may still be available.”

**CERTIFIED COPY OF A REPORT OF THE COMMITTEE  
OF THE PRIVY COUNCIL, APPROVED BY HIS  
EXCELLENCY THE GOVERNOR-GENERAL ON THE  
18TH JANUARY, 1923.**

**T**HE Committee of the Privy Council have had before them a report dated 22nd December, 1922, from the Minister of the Interior, submitting that the Vancouver, Victoria, and Eastern Railway and Navigation Company has applied for a lease for railway purposes, for those certain parcels or tracts of land comprising portions of Lots Forty-nine and Fifty, Block Two Suburban, and Lots Six and Seven, Block Three Suburban, in the townsite of Hope, in the Fifth Township, in the Twenty-sixth Range, west of the sixth meridian, in the Province of British Columbia, as the said lots are shown on a plan of the said townsite approved and confirmed by E. Deville, Surveyor-General of Dominion Lands on the twenty-second day of October, one thousand nine hundred and eight, and of record in the Department of the Interior under number fourteen thousand four hundred and seven, and which parcels may be more particularly described as follows:—

Firstly: All that portion of said Lot Forty-nine lying to the south of the Canadian Northern Pacific station-grounds and shown coloured green on the Vancouver, Victoria and Eastern Railway and Navigation Company Plan, Profile, Book of Reference, showing constructed division-yard, connections with the Kettle Valley Railway and Canadian Northern Pacific Railway lands required, and streets and lanes to be closed, approved and confirmed by E. Deville, Surveyor-General of Dominion Lands, on the twentieth day of September, one thousand nine hundred and twenty, and of record in the Department of the Interior under number thirty thousand and ninety-two, and containing by admeasurement one acre and twenty-three hundredths of an acre, more or less.

Secondly: All the northerly four hundred and thirty-three feet of said Lot Fifty shown on the said plan of record in the Department of the Interior under number thirty thousand and ninety-two, and containing by admeasurement three acres and fifty-eight hundredths of an acre, more or less.

Thirdly: Beginning at a wooden post at the north-westerly corner of said Lot Seven; thence south-

erly along the westerly boundary of the said lot a distance of three hundred and fifty feet to a point; thence on a bearing of ten degrees and twenty minutes, a distance of four hundred and thirty-two feet, more or less, to the southerly limit of the southerly leg of the right-of-way, leased for the purpose of a wye to the Canadian Northern Pacific Railway Company, as shown on a plan of the said wye, approved and confirmed by T. Shanks, for the Surveyor-General of Dominion Lands, on the sixth day of June, one thousand nine hundred and twenty-two, and of record in the Department of the Interior under number thirty-one thousand four hundred and forty; thence westerly along the said southerly limit of the said right-of-way to its point of intersection with the westerly boundary of said Lot Six; thence southerly along the said westerly boundary a distance of seventy-six feet and fifty-two hundredths of a foot, more or less, to the point of beginning; containing by admeasurement one acre and forty-three hundredths of an acre, more or less.

All the lands herein described as shown within a hatched border on the plan attached hereto and containing by admeasurement six acres and twenty-four hundredths of an acre, more or less; all the said bearings being astronomical and referred to the astronomical meridian through the centre of the said township.

The lands applied for have for some years been reserved for railway purposes, and the Board of Railway Commissioners reports that there is no reason why the land should not be leased to the Company. The lands applied for are vacant and available.

The Minister therefore recommends that he be authorized to issue a lease to the Vancouver, Victoria and Eastern Railway and Navigation Company for the lands as above described, the lease to be for a term of five years at an annual rental of five dollars per acre and subject to cancellation upon six months' notice by the Minister of the Interior, and to be on such terms and conditions as the Department of Justice may consider advisable.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

To the Honourable  
The Minister of the Interior. 5648-mh15

P.C. No. 382.

THE FOLLOWING IS A TRUE COPY OF A MINUTE OF A MEETING OF THE COMMITTEE OF THE PRIVY COUNCIL, APPROVED BY HIS EXCELLENCY THE GOVERNOR-GENERAL ON THE 5TH MARCH, 1923.

THE Committee of the Privy Council have had before them a report dated 20th February, 1923, from the Minister of the Interior, submitting that Letters Patent for the North-east Quarter of Section 30, Township 16, east of the Coast meridian, in the Province of British Columbia, were granted on the 13th October, 1894, to Samuel James Glassey, farmer, now deceased.

Proceedings in the Exchequer Court of Canada were instituted to set aside the above Letters Patent as having been issued through error and improvidence, in that they did not contain a reservation of the merchantable timber on the land.

The Minister states that Order in Council of 6th June, 1918 (P.C. 1292), provides that every patent, lease, licence, homestead entry, or other grant hereafter made of any Dominion lands within the Railway Belt shall be subject to a reservation providing for the taking of any areas required for the exercise of the privileges granted by any water licence, subject to payment by the licensee of such compensation as may be provided in like cases by the Provincial Acts and regulations.

The Minister further states that Order in Council of the 22nd June, 1918 (P.C. 1509), provides that every homestead entry, contract of sale, lease, licence, or any other form of occupancy, patent or other grant hereafter issued of any Dominion lands within the Railway Belt shall be subject to a reservation providing for the taking of an area for road allowances.

The present owners of the above land desire to secure fresh Letters Patent without the two above-mentioned reservations which have been enforced since the date of the original grant to the late Mr. Glassey, and there would appear to be no objection to acceding to their request.

The Minister therefore recommends, notwithstanding the reservations in the Orders in Council of 6th June, 1918, and 22nd June, 1918, that he be authorized to issue new Letters Patent for the North-east Quarter of Section 30, Township 16, east of the Coast meridian, without the reservations as provided therein.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

The Minister of the Interior. 5650-mh15

## PROVINCIAL SECRETARY.

HIS HONOUR the Lieutenant-Governor in Council, by Order in Council dated the 14th day of March, 1923, under the provisions of the "Special Surveys Act," has been pleased to order as follows:—

That pursuant to the "Special Surveys Act" the Attorney-General did, on the 25th day of May, 1921, upon the request of the Municipal Council of Esquimalt, direct a special survey to be made by Mr. Bateman Hutchinson, a British Columbia Land Surveyor, approved by the Surveyor-General, of Suburban Lots 37, 38, 39, 40, 43, 44, and 45 of Section 23, Township of Esquimalt, and by supplemental order dated the 1st day of February, 1922, of Blocks 5, 9, and "D," Suburban Lot 42, Land Registry Map No. 1153; part of Suburban Lot 42, Land Registry Map No. 2012; and part of Suburban Lot 41, and part of Section 11 (Eleven), Land Registry Map No. 2015, Esquimalt District, for the purpose of correcting any error or supposed error in respect of any existing survey or plan, or of correcting or adjusting any discrepancy between the occupancy of land and any registered subdivision or plans of such land, and of plotting land not before subdivided, and of showing the divisions of land of which the divisions are not shown on any plan of subdivision.

That it was further directed that the said special survey should be made under the guidance of and instructions from the Registrar of the Victoria Land Registration District, being the district in which the lands affected are situate; and that upon the completion of such special survey a plan be pre-

pared of the completed survey under the provisions of the "Special Surveys Act."

That it was further directed that the cost of the special survey and other expenses connected therewith should be borne and paid by the Corporation of the Township of Esquimalt.

That on the 22nd of March, 1922, a plan of special survey of the said lands, duly certified by the said Bateman Hutchinson, was filed with the Provincial Secretary, together with a tabulated list of occupied or improved lands, the boundaries of which appeared as altered in the said plan of the said special survey, to be laid before the Honourable the Lieutenant-Governor in Council for approval; whereupon the Attorney-General caused to be published in the British Columbia Gazette and in the *Victoria Daily Colonist* a notice under section 5 of the said "Special Surveys Act," setting forth the filing of such plan and list, the object of the survey, and the day, hour, and place for the hearing of any complaints that might be made against such special survey by any person interested in the property thereby affected, by Carew Martin, Esquire, Barrister-at-law.

That the said Carew Martin, Esquire, did attend at the time and place appointed to hear and receive evidence on oath of any of the parties making complaint and interested in such special survey, and to adjudicate upon and dispose of such complaints, and reported thereon to the Attorney-General.

The undersigned has the honour to recommend:—

That the special survey and plan be amended by Mr. Bateman Hutchinson as follows:—

1. All the lots and blocks on the plan of special survey shall be renumbered so that the lots may be described without reference to the original subdivision plans.

2. The plan shall be amended by eliminating all information shown thereon relating to parcels which have been wiped out of existence by the adoption of the said plan.

3. Where lots have been divided into parcels, separate numbers shall be given to such parcels.

4. Block "D," Lots 27, 28, and 29, Land Registry Map No. 1153, shall be combined with that portion of the Old Esquimalt Road lying to the south of the said lots and block and shall be described on the plan as one parcel.

5. The plan shall be altered by showing the increase in the area of Lot "C," Suburban Lot 37, and the decrease in area from Lot "B" of Suburban Lot 37, in pursuance of Order in Council No. 1398, approved the 20th day of November, 1922.

6. That the area between Lot 17 of Suburban Lot 43 and Lot 24 of Suburban Lot 44, as shown coloured red on the occupation plan filed as Exhibit No. 12 on the hearing before the Commissioner, be made part of and included within the boundaries of said Lot 17, and that the subdivision plan be amended accordingly.

7. That the special survey plan be amended by combining with Lot 7, Map 446, that triangular piece registered under No. 12564-I.

8. And the area between Lot 18 of Suburban Lot 43 and Lots 23 and 24 of Suburban Lot 44 and bounded on the north by Astle Street, as shown coloured red on the occupation plan (Exhibit 12), be made part of and included within the boundaries of said Lot 18.

That subject to these amendments and corrections the said special survey and plan be declared to be the true and correct survey and plan of the land thereby affected, and that all the boundaries and lines fixed by such special survey and plan are the true boundaries and lines, whether of roads, streets, or lanes, and as between adjoining owners and adjoining lots, and that such plan be substituted for all former plans and surveys of the land affected which may have been registered heretofore.

And the undersigned further recommends:—

That where any land within the district surveyed by the adoption of the special survey and plan is added to any lot or block shown on the original surveys of the lands affected, such land shall vest in the person owning such lot or block, and that any land which has by the said special survey been added to any road, street, or land now vested in the said Corporation of the Township of Esquimalt,

shown on the original surveys of the lands affected, shall vest in the said Corporation of the Township of Esquimalt.

#### COMPENSATION.

And to further recommend:—

1. That the said Corporation shall pay, within six months from the date of the registration of the plan of special survey in the Land Registry Office, to Burdick Brothers, Limited, the sum of \$275 for the expropriation of Lot 36, Suburban Lot 45, Map D.D. 54, subject to the deduction therefrom of all outstanding rates and taxes charged against the said lot.

2. That the said Corporation shall pay to the owner of Lot 45, Suburban Lot 45, D.D. 54, the sum of \$250, within six months from the registration of the said plan in the Land Registry Office, for the expropriation of this lot for highway purposes, subject to the deduction therefrom of all outstanding rates and taxes charged against the said lot.

3. That the said Corporation shall pay to the owner of Lot 18, Suburban Lot 45, D.D. 54, the sum of \$250 for the expropriation of this property; such payment to be made within six months of the date of the registration of the said plan of special survey in the Land Registry Office, subject to the deduction therefrom of all outstanding rates and taxes.

4. That the said Corporation shall pay to the owner of Lot 19, Suburban Lot 43, Map 446, the sum of \$149 for the expropriation of a portion of this lot; such payment to be made within six months from the registration of the plan, subject to the deduction therefrom of all outstanding rates and taxes.

5. That the said Corporation shall pay to the owner of Lot 1, Land Registry Map 2015, the sum of \$36 for a compensation for the deduction in area of his lot by the adoption of the special survey plan; such payment to be made within six months after the date of registration, subject to deduction of all outstanding rates and taxes.

6. That the owners of Lot 7, Land Registry Map No. 446, Suburban Lot 45, shall pay to Mr. Edward Ensell the sum of \$8 as compensation for the south-easterly portion of Lot 7, which by the special survey is added to and forms part of said Lot 7; such payment to be made immediately after registration of the plan.

#### FENCES.

And to further recommend:—

That the present registered owner of Lot 18, Suburban Lot 43, Map 446, shall remove, within one year from the date of the registration of the plan of special survey, at his own expense, the fence which now exists on the easterly boundary of said lot, which according to the plan of special survey encroaches approximately 8.9 inches on Admiral's Road, to the easterly boundary of Lot 18, as established by the plan of special survey.

And that the said owner shall be allowed the use of the area of land which his occupation fence on the northern boundary of said Lot 18 encroaches on to Astle Street under the following terms and conditions:—

1. That the use of the said area shall extend only during the lifetime of the present registered owner, and in the event of the said owner predeceasing his wife, then for the remainder of the lifetime of his wife.

2. That if the said owner disposes of the said Lot 18, the fence which encroaches on to Astle Street shall be removed on to the northern boundary of the said lot as established by the said plan of special survey. The expenses of such removal shall be borne by the purchaser of said lot.

3. That the said owner shall surrender the said area encroached upon without right or claim for compensation therefor, if ever this area is required by the municipality for highway purposes.

That the fence on the easterly boundary of Lot 3 and the southerly half of Lot 4, Map 34, Suburban Lot 44, which encroaches on Constance Avenue, shall be removed, within one year from the date of the registration of the plan, to the boundary-line as established by the special survey, and the expenses

of such removal shall be paid by the Municipality of Esquimalt.

That the owner of Lot 34, Map 34A, Suburban Lot 44, shall be permitted to leave the fence on the westerly boundary of said lot which encroaches on Nelson Street in its present position until it is found necessary to be replaced by a new fence, when the new fence shall be built on the proper boundary-line as established by the special survey; and that the westerly boundary fence of the easterly 85 feet of Lot 2 of Suburban Lot 44, Map 34, which is off the proper boundary-line, shall be reconstructed on to the proper boundary when it is necessary to rebuild the fence.

That the owner of the easterly 85 feet of said Lot 2 shall remove, at his expense, the old sheds and fences which encroach on the easterly boundary of the westerly portion of said Lot 2 within two years from the date of registration of the special survey plan.

That the fences maintained in connection with Lot 19, Suburban Lot 44, and which encroach on adjoining property shall be removed on to the correct boundary-lines as established by the special survey, at the expense of the owners of the said lot, within two years from the date of registration of the plan.

And to further recommend:—

That all encroachments of fences on private properties, except as hereinbefore provided, be moved on to the correct boundary-lines as established by the special survey within two years after the date of the registration of the plan, with the exception that fences encroaching less than one foot be permitted to stay in their present position during the life of the said fences, and when they are removed they shall be placed on the correct boundaries; and in connection with fences which encroach on streets and highways, these shall be removed by the owners on to the proper boundary-lines within one year from the date of the registration of the plan, and if the fences are not so removed within the time prescribed, the Corporation may remove same at the expense of the owners.

#### BUILDINGS.

And to further recommend:—

That the wooden house situated on Lot 3 of Suburban Lot 45, D.D. 54, which encroaches on to Lot 2 to the extent of eight feet, together with a porch about four feet square, shall stand in its present position until such time as the owner of Lot 2 requests the removal of the encroachment from his property; provided that the owner of Lot 3 shall be entitled to six months' notice of removal.

That the shed on Lot 15 of Suburban Lot 45, D.D. 54, which encroaches on to Lot 24, shall remain in its present position until the owner of said Lot 24 requests its removal by giving one month's notice to that effect.

That the sheds, fowl-houses, and wire runs maintained in connection with Lot 105, Suburban Lot 37, D.D. 54, and which encroaches on to Sixth Street, shall be removed within the proper boundaries of Lot 105 immediately upon notice from the said Corporation.

That the wooden addition to the shop on Lot 7, Land Registry Map 371, which encroaches three inches on to the New Esquimalt Road and nine inches on Constance Avenue, shall be permitted to remain as it is until a new building shall be erected, which shall be placed on the correct boundaries, but in no case shall the encroachment continue beyond fifteen years from the date of the registration of the plan, after which date it shall be removed by the owner of Lot 7 on to the right boundary-lines at their own expense.

That the garage situated on Miles Street, adjoining Lot 4, Suburban Lot 38, Map 371, shall be removed within one year from the date of the registration of the plan.

That the wooden store front on Lot 8, Suburban Lot 38, Map 371, which encroaches five and a half inches on to the New Esquimalt Road, shall be placed on to the correct boundaries when the building is renewed, but in no case shall the encroachment continue beyond fifteen years from the date of the registration of the plan.

That the brick building at the corner of New Esquimalt Road and Admiral's Road situate on Lot 17 of Suburban Lot 39, Land Registry Map 696, which encroaches on to Admiral's Road some ten inches, shall be permitted to remain undisturbed during the lifetime of the building, and when the building is renewed or rebuilt the encroachment shall be placed on the proper boundary-lines.

That the small wooden shed on Lot 1 of Suburban Lot 40, Land Registry Map No. 1596, which encroaches on the New Esquimalt Road and Comerford Street, shall be removed within six months from the date of the registration of the plan.

And to recommend:—

That all the cost of removals of buildings and fences which encroach on adjoining properties or highways on to proper boundary-lines shall be paid by the respective owners, save as hereinbefore provided, and if said buildings are not removed within the time prescribed the Corporation may remove same at the cost of the owners.

And to further recommend:—

That the complaints against such special survey and plan by the following named parties, except in so far as they have been satisfied by the alterations hereinbefore affected and all other complaints, if any, be dismissed:—

Clarence Hoard.

Estate of the Honourable Robert Beaven (Deceased).

And to further recommend:—
